**WHERE EVERY
DANCER IS A STAR**

When children are inspired by their imagination to move, our Dance Stars instructors know how to match their high energy and enthusiasm through dance.

With Dance Stars, our dancers learn the fundamentals of ballet, jazz, and hip-hop while developing grace, coordination, balance and poise.

By inspiring a passion for dance, our imaginative and engaging classes will create twirling, self expressive machines! PLUS - your families will get to experience a recital performance twice a year so they can see all that their dancer is learning.

DANCE STARS 5 POINTS OF SUCCESS:

- Introduction to ballet techniques and terms
- Integrated curriculum encouraging posture, poise, and grace
- Innovative movements for balance and coordination
- Inspirational ideas focusing on building confidence and growth
- Invaluable first performance experience
